

Access to XPHOZAH

While Medicare Part D is not currently covering binders or XPHOZAH, **XPHOZAH continues to be available** via a prescription to Transition Pharmacy in Trevoze, PA, the ArdelyxAssist specialty pharmacy partner.

 XPHOZAH[®]
(tenapanor) tablets

Unlike binders that are distributed and paid for by dialysis organizations, XPHOZAH is not distributed nor paid for by dialysis organizations, and will not be billed to dialysis organizations or prescribers.

To access XPHOZAH, you as a prescriber:

- Decide, based on clinical judgment, which patients should be on XPHOZAH
- Write and send XPHOZAH prescriptions to Transition Pharmacy in Trevoze, PA, the ArdelyxAssist™ specialty pharmacy partner

ArdelyxAssist will continue to determine who has affordable access to XPHOZAH.

- Patients who have affordable access via their insurance will receive XPHOZAH shipped to their home
- Patients who do not have affordable access via their insurance will be evaluated for eligibility to receive XPHOZAH through the Ardelyx patient assistance program

What to know to prescribe XPHOZAH

XPHOZAH prescriptions **cannot be filled** through a traditional retail pharmacy
